2019 Omaha Spring Cleanup Dates

Saturday, April 27	Locations are grouped geographically and assigned by the Spring Clean Up Coordinator. Please cross out a date on the left that absolutely will NOT work for your organization due to a scheduling conflict outside your organization's control. Every effort will be made to accommodate everyone, but crossing out more than one date may jeopardize your organization's opportunity to participate in Spring Cleanup.
Saturday, May 4	
Saturday, May 11	
Saturday, May 18	
Saturday, May 25	

1) Each Cleanup Saturday, a HOST SITE is needed for tire collection and/or appliance collection.

Tires and Automotive Batteries: Does your organization and location have the necessary space and volunteers (at least 1 person dedicated to tire & battery collection) to host a dumpster and a truck for disposing of tires and batteries?

Yes No

Appliances: Does your organization and location have the necessary space and volunteers (at least 2 persons dedicated to appliance collection) to host a dumpster for disposing of appliances?

Yes No

Continued on Reverse

2) Combining organizations at one site helps control the cost of Spring Cleanup and is highly encouraged.
Previously your organization has combined with: _____
This year the Spring Cleanup Coordinator would like to combine your organization with:
(or please make a suggestion!!) _____

3) Will your organization be arranging for separate thrift store or metals collection? yes no
*This must be organized in advance with a container or vehicle on site to accept these items and everything removed from the site by 2 pm.

Note: Due to recent Municipal Code changes, metals recycling must be pre-arranged and communicated to the Spring Cleanup Coordinator.

4) Omaha Spring Cleanup is more than just free disposal of bulky, household items, it is about community involvement and betterment. What public area is your organization going to clean up or otherwise improve this year?

5) Other Comments or Suggestions: _____

_____ **Please initial to verify you have read and understood the Best Practice Guide.**
