

STORY TIME: THE GREAT TRASH BASH

Directions:

Discuss the questions below with your classmates. After discussing the questions, write your answers on your handout by drawing a picture or writing an answer.

Answer these questions in the middle of the video during the break, or when reading the book when the mayor asks "What can we do to solve Beaston's trash problem?"

What do you think the animals could do to improve things in Beaston?

What do you think YOU could do to improve things in your own neighborhood?

STORY TIME: THE GREAT TRASH BASH

Answer these questions after you finish reading the book or watching the recording to figure out how YOU can make a difference in your community.

Reducing waste is one of the most important things we can do to when it comes to waste management. What could you do to reduce, or use less, of things?

Reusing items is one way the animals in Beaston were able to improve their community. What could you reuse or repurpose to improve your own community?

The animals in Beaston built recycling facilities to recycle all sorts of materials. It is very important to recycle correctly. What can you recycle at your home in Omaha? List as many recyclable items as you can.

Look over the ways you and your classmates came up with to make a difference in your community. Pick ONE thing to commit to doing over the next month. What will you do to make a difference?
