

OMAHA RECYCLES RIGHT

AND SO CAN YOU!

We get it, recycling can be confusing at times, but learning to recycle the right items in the right way can have a big impact on our Omaha community and the environment!

Omaha residents can participate in our community's curbside recycling program or take recyclables to a city drop-off site.

You can find more recycling info and a list of the drop-off locations on the City of Omaha's website:

WASTELINE.ORG

GO AHEAD, RECYCLE IT!

MORE INFO

NOT SO FAST, KEEP IT OUT!

SOFT FLEXIBLE PLASTIC

- Plastic bags, plastic wrap, chip bags, food wrappers

HOUSEHOLD HAZARDOUS WASTE

- Garden & automotive chemicals, batteries, cleaning products

ELECTRONICS

- Computers, cell phones, anything else with a cord or cable

FOOD WASTE & DISPOSABLE TABLEWARE

- Food scraps, plastic utensils, straws, paper plates, paper napkins

MISCELLANEOUS

- Styrofoam, toys, clothing, wood, anything smaller than a post-it note

WHAT SHOULD YOU DO WITH GLASS?

Glass can **ONLY** be recycled at one of the 10 glass recycling drop-off sites in Omaha, and should **NOT** be placed in your curbside green recycling bin.

WHAT ELSE CAN YOU RECYCLE?

We can't list everything on this card, but lucky for you, there's more recycling information at the City of Omaha's website:
