

# RECYCLING & REUSE OPPORTUNITIES

## RESOURCES TO CREATE AN ENVIRONMENTALLY-FRIENDLY CLEANUP SITE

The following organizations have indicated that they are willing to be a part of your neighborhood's Omaha Cleanup event. They can help divert waste material you receive at your site for recycling or beneficial reuse, rather than all of the waste going directly to the landfill.

The contact listed with each organization is familiar with the Omaha Cleanup, and they are expecting your call or email. We encourage you to reach out to these organizations, but you are welcome to contact and work with other organizations not listed here that may be a good fit for your cleanup.

\*Please note: This resource guide is not a comprehensive list, nor does Keep Omaha Beautiful officially endorse any of the organizations listed.
